

IMPORTANT QUESTIONS TO ASK A PERSONAL INJURY LAWYER

01

WHAT IS YOUR EXPERIENCE HANDLING CASES SIMILAR TO MINE?

This helps assess the lawyer's familiarity and success rate with cases like yours, indicating their capability to navigate the specific challenges your case might present.

02

WILL YOU BE HANDLING MY CASE?

Knowing whether the lawyer you're meeting with will personally handle your case or if it will be assigned to another lawyer ensures clarity regarding who will be representing you.

03

WHAT TYPE OF COMPENSATION AM I ENTITLED TO?

It's crucial to understand what kinds of damages you can recover, such as medical expenses, lost wages, and pain and suffering, to ensure you're fully compensated.

04

WHAT ARE THE POTENTIAL COSTS AND HOW ARE FEES STRUCTURED?

Most personal injury lawyers work on a contingency fee basis, meaning they only get paid if you win your case. Clarifying this upfront, along with any potential costs you might incur ensures transparency.

05

ARE YOU PREPARED TO TAKE MY CASE TO TRIAL IF NECESSARY?

Asking about trial readiness can give you insight into the lawyer's experience and skill level. A lawyer who is willing and prepared to go to trial if necessary shows they are committed to achieving the best possible outcome for you.
