**Driving Towards Safety
One Pledge at a Time**

By signing this pledge, I commit to prioritize safety on the road.

I PLEDGE to obey traffic laws, drive attentively, and refrain from distractions such as texting or using my phone while driving.

I PLEDGE to always wear my seatbelt and ensure that all passengers do the same.

I PLEDGE to drive responsibly, respecting the lives of others and understanding the impact of my actions behind the wheel.

I PLEDGE to prioritize safety on the road by never driving under the influence of drugs or alcohol, and by staying focused on the task of driving.

I PLEDGE to never engage in aggressive driving behavior, such as tailgating or road rage, and to always remain calm and patient on the road.

I PLEDGE to make safe driving a priority in my life, recognizing that the choices I make behind the wheel can impact not only myself, but also my loved ones and others on the road.

**Together, we can make our roads
safer for everyone.**
